MEMORANDUM CIRCULAR NO. 002.17

TO: ALL WATER DISTRICTS

SUBJECT: WATER DISTRICTS DATA

The Philippine Statistics Authority (PSA) and other government institutions such as NEDA, NWRB, DENR regularly request from LWUA various data on the water supply industry in order to effectively formulate policies on the water and sanitation sector.

Gathering Water District data via Monthly Data Sheets (MDS) submitted by the WDs and manually inputting them in the computer is time consuming, untimely, and generally prone to human error. In order for LWUA to efficiently gather the information and reduce the time to collate and publish the requested data, WDs are hereby requested to download the template Excel file from the LWUA website and submit their data quarterly via email to lwua_research@yahoo.com.

The MDS shall continue to be submitted monthly.

For accuracy and timeliness of WD data, and relevance of ensuing national policies on the water and sanitation sector, your cooperation is hereby enjoined.
