MEMORANDUM CIRCULAR NO. 009 . 14

TO : ALL CONCERNED WATER DISTRICTS  
SUBJECT : MANDAMUS TO CLEAN-UP MANILA BAY PER SUPREME COURT RULING

The Supreme Court had rendered a Decision in G.R. Nos. 171947-48 ordering LWUA to submit on or before September 20, 2011 its plan to provide, install, operate and maintain sewerage and sanitation facilities in said cities and towns and completion period for said works, which shall be fully implemented by December 31, 2020.

The provinces of Bulacan, Pampanga, Bataan, Laguna and Cavite that most likely affect the Manila Bay Basin are particularly identified. In this regard, the water districts within these cities/municipalities have been directed to put up wastewater systems in order to reduce pollution generated from households.

As such, all concerned water districts listed in the attached Sheet are hereby enjoined to provide LWUA with their respective Septage Management Program (SMP) to comply with the Supreme Court Mandamus. Such SMP should be included in your project programs for you to comply with the technical/financial evaluation of LWUA.

For your information and action.
